AMEND Senate Bill No. 1187*

House Bill No. 1045

By deleting the second sentence of subsection (b) of Section 68-4-113 of the amendatory language of SECTION 1 in its entirety and substituting instead the following:

(b) This moratorium shall not apply to any research facility accepting human remains and actually engaged in the above ground study of human remains as of January 1, 2013.

FURTHER AMEND By deleting subsection (c) of Section 68-4-113 of the amendatory language of SECTION 1 in its entirety and substituting instead the following:

(c) The moratorium described pursuant to this section shall last until the commissioner of environment and conservation and the commissioner of agriculture jointly promulgate and file with the secretary of state rules and regulations concerning permissible locations of facilities or tracks or land used for the above ground study of the decomposition of human remains. Such rules and regulations shall be promulgated in consultation with the University of Tennessee, which has owned and operated the premier human decomposition research facility in the United States for thirty (30) years, and shall be completed no more than eighteen (18) months from the effective date of this act. All such rules and regulations shall be promulgated in accordance with the Uniform Administrative Procedures Act, compiled in title 4, chapter 5.
